Important: Modules can be recognized with the credit points (LP) which the suitable module shows at the University of Stuttgart. If a 9 LP module must be recognized, but equivalent module at the University of Stuttgart contains 6 LP, it can be recognized only with the 6 LP. If a 3 LP module must be recognized, but equivalence module at the University of Stuttgart contains 6 LP, it can be recognized only with the 6 LP.
Credit points are only available for completely completed modules, not for sub-module components.

Without complete/correct information, the Examination Office will not be able to process the application and will reject it!

¹ For example: If an academic achievement is to be allocated to the "Core/Supplementary subjects" in the specialization subject "Manufacturing Management" in the group "Materials and Production Engineering" of the "Specialization Modules" of the "M.Sc. Mechanical Engineering of PO Version 2011", the **correct C@MPUS node for this is: 104-2011-(200-221)-2212**
